We have accomplished so much together this year, and I am particularly proud of the growth and achievements of our students. I am also grateful for the dedication and hard work of our amazing teachers and staff who go above and beyond every single day.

A special thank you to our newly established PCS Parent Group Officers, and their continued efforts in formally establishing the group.

I wish you and your families a joyous and peaceful holiday season filled with love, laughter, and cherished memories. May the coming year bring you happiness, health, and success.
